DISCLAIMER

A boat is entirely responsible for her own safety, whether afloat or ashore, and nothing, whether in the Notice of Race, Sailing Instructions or anywhere else, reduces this responsibility. It is for the boat to decide whether she is fit to sail in the conditions in which she will find herself. By launching or going to sea, the boat confirms that she is fit for those conditions and her crew is competent to sail and compete in them. The boat is required to hold adequate insurance and in particular to hold insurance against third party claims in the sum of at least £2 million per event. Nothing done by the organisers can reduce the responsibility of the boat nor will it make the organisers responsible for any loss, damage, death or injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the race and the event, and include the organising authority, the race committee, committee boat(s), the race officers and others. The boat is responsible to ensure that she is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and that the crew know how to use it. The fact that the race committee may conduct inspections of a boat does not reduce the responsibilities of the boat set out above.

DECLARATION

I agree to be bound by the Racing Rules of Sailing and all other rules that govern these events. I have read the Notice of Race and accept the disclaimer above. I will draw the attention of all the crew members to them before racing. The boat will conform to these rules throughout the event. I certify that the stated particulars of the boat are correct. I agree that my contact details may be used by RSYC in connection with their events.
