

ROYAL SOUTHAMPTON YACHT CLUB

RSYC Rating - Self-Measurement Form

- 1) Please tick or complete the boxes below as appropriate: (use a separate sheet if required)
- 2) Please enclose photographs or a copy of the manufactures brochure if available.
- 3) Please complete the form fully, otherwise it will be assumed that the most adverse factors apply (*folding propeller, lead bulb keel, 150% overlapping genoa, several big spinnakers, etc*).

APPLICATION FOR:

_____	_____	_____ Sq m	_____ yrs

If the boat has previously had an IRC rating: Year _____ TCF _____

Changes since then: _____

Does the boat have any unusual features? *give details on a separate sheet*

I accept that RSYC Ratings are not subject to challenge and may well be arbitrary and capricious; that they are provided as a service to entrants in an effort to give fair, close and enjoyable club racing where the better sailors usually win; that they may take into account, on a subjective basis, the anticipated or perceived abilities of helm and crew, not just the boat. I will immediately report any change to boat or equipment.
