

AHOY ALL CADET MEMBERS!

Your club wants to encourage more Cadets to get involved with the club and its activities. In order to achieve our aim we need to understand how many Cadet members we have, the age profile and boating interests.

The Club and the RSYC Trust is working closely with Southampton Water Activities Centre (SWAC) to provide sailing and water activity opportunities for young people aged between 8 to 18. These will include taster sessions, structured RYA youth sailing schemes including advanced modules such as day sailing, performance sailing and start racing and recreational sailing /water activities.

Much of this activity will be based at SWAC adjacent to the Itchen Bridge in Southampton but we also intend to use the club facilities and boats at Gins.

We would like to ask all members who have children or grand children between the ages of 8 to 18 to contact Maggie at [membership@rsyc.org.uk](mailto:membership@rsyc.org.uk) to register them and update the current register as Cadet Members using the attached form.

Club Member Name	
Cadet Member 1 Name	
Date of birth	
Sailing/water activity Interests	
Preferred contact email for Cadet	
Cadet Member 2 Name	
Date of birth	
Sailing/water activity Interests
