

# NEWS

Colin our Bosun and I had great fun on Sunday running this month's DUCK RACE. The winner was DARCIE DUCK sponsored by Brian Hinde who has a bottle of wine waiting for him at Gins. Thank you to everyone who has sponsored a duck, the race raised £250!

Having run our first successful Young Carer Activity Day of the year back in May and as head of the RSYC Trust Press Gang, we are now looking for volunteers for our next two Activity Days which we are running back-to-back in July on the following dates:

24th July - Romsey Young Carers

25th July - New Forest Young Carers

We will also run a final day for Winchester on 21st August.

The Trustees are as ever very grateful for the help that all you volunteers give us in helping to run these events and you will be pleased to know that under present day legislation anyone press ganged is allowed to go home at night and have a dinner break. Without your help it would not be possible to run these activity days and disappoint a lot of young careers.

To help with our planning would you please let me know if you would be able to help on any of the above dates. We are planning to run the usual activities of sailing, canoeing, paddle boarding, river rides, crab fishing and raft building. We are however open to any other activities that you think would be suitable to run.

It would also be useful if you could advise us if you have a current DBS, Powerboat level II or First Aid qualification. We are also looking for safety boats and so if you have a suitable rib or launch, please let us know.

Thank you all for your support and we look forward to hearing from you so we can again give these Young Careers a day to remember.

I apologise if you had previously told me you were available or not, but I know plans change..... Some of you may also not have been contacted after offering to help for which I apologise but some emails may have been lost in the transfer of organisation from Graham to myself.

Many thanks

Best wishes

Martin
